Have you promised yourself

good health sooner...for life?

When you are affected by pain and injury, it's important to get prompt effective treatment, so you can get back to normal - sooner. As part of your recovery program, The Sports Injury Clinic offers specialised treatments including joint and spinal procedures that assist and accelerate healing.

Expert Help

Our Sports Medicine and Spinal Physician is a trained anaesthetist and an expert in hormonal, muscular and skeletal disorders. He works in conjunction with your own doctor and physiotherapist to ensure the best results for you.

Feeling Better - Sooner

Pain and inflammation caused by conditions like sciatica, arthritis and spinal degeneration can often delay important treatment like physiotherapy. Accurate assessment, diagnosis and treatment means you can start your recovery sooner.

So you can get on with the things you enjoy most in life!

So get the support you need for good health, sooner - for life!
